S&A Consulting Founders are Role Models in Both the Business World and in the Community

December 9, 2004 - Pillar Award for Community Service . . .

Smart Business and Medical Mutual of Ohio presented the **2004 Pillar Award for Community Service to S&A**. "Your charitable works are a tribute to this region, and we applaud you and your organization's commitment to Philanthropy."

The Pillar Award for Community Service was developed by Smart Business and Medical Mutual to honor businesses and individuals dedicated to making Northeast Ohio a better place to live. The program is designed to demonstrate the tie between the for-profit and nonprofit worlds and showcase best practices.

The Pillar Award seeks to:

- Publicize the importance of community service issues, such as philanthropy and volunteerism
- Share creative ideas about how companies have a positive impact in their communities
- Honor companies and individuals who go beyond the minimum expectation of community service
- Build a sustaining fund, administered by the Cleveland Foundation, which provides grants for local nonprofit organizations in their mission to serve the people of Northeast Ohio (The Pillar Fund)
